HINDSIGHT IS 20/20
AN EXPERT IN TROUBLED YOUTH TELLS HOW TO
KEEP YOUR CHILD OFF THAT PATH

With the clarity of 20-20 hindsight, a licensed Christian counselor named *Carolyn Esparza* provides vital and encouraging parenting tools straight from a well-worn counseling toolbox. Presented through poignant examples from the author's thirty years of counseling with some of our country's most troubled youth, and many a bungled parenting experience with her own four children, she provides a valuable and helpful perspective on the challenges of raising children in today's turbulent world.

What people are saying about *The Parenting Business*:

"Informative and an absolute for all counselors, social workers, clergy, parents or about to be parents. Author is so totally honest with her professional wisdom learned over her many years of working with children and the court system as well as tribulations of raising her own family. Unique in that the author coupled all of this valuable information with Bible scripture to enhance one's thinking concerning the spiritual aspects of God, family and work. Really made me think about my own 20/20 hindsight."

Donna Durocher, CWIII, L.C.D.C., A.A.P., C.A.R.T., L.V.N.

"The author's '20/20 Hindsight' backed by sound biblical principals and scripture references provide an inspiring view into the trials and delights of parenting. Her reflections and views truly give hope in our upside down, whirlwind lives."

Jane Kruse, Homemaker and Mother

"Stories are great with useable – workable message for parents. We must learn to stop to get the messages our children are sending. Easy, fun ways to parenting know how. The author has used her experience and knowledge to help us become better parents, no matter the age."

N. Lorraine Herbel, Municipal Clerk/Grandmother
